## A Weekend of Beginnings

### What is Engaged Encounter?

Engaged Encounter is a marriage preparation program for couples who are committed to building a deep and long lasting sacramental marriage.

The Weekend is an opportunity to put aside wedding plans, job issues, and day-to-day responsibilities to focus on your relationship. It is a time to share feelings, hopes, fears, dreams, and frustrations. It is NOT a retreat, counseling clinic, or sensitivity course.

### Who is it for?

Engaged Encounter is designed for couples of all ages who are either engaged or considering marriage. It is an alternative to Diocesan and parish-based PreCana which satisfies the Catholic

Church's marriage preparation requirement in the Diocese of Columbus. Although Catholic in origin and orientation, it is open to couples of all faiths who seek to enrich their quality of life together. In fact, fifty-percent of participating couples are inter-

### What happens at Engaged Encounter?

Engaged Encounter creates an atmosphere in which the couple can concentrate, with-out distraction, exclusively on their relationship. Presentations are given by married couples, which include personal sharing on marriage and family life. Each presentation gives the engaged an opportunity to reflect on their own relationship with God, each other, and the community around them. The emphasis of the weekend is the engaged couple's personal reflections with each other on the presentation subjects. The weekend begins the process of building a life together, a process which takes a lifetime to complete. The weekend closes on Sunday afternoon with Mass.

### Sacrament: Your Marriage in the Catholic Faith

Your wedding is the beginning of your marriage sacrament; your marriage is a call to show God's love not just to one another, but to the world around you.

### What does it Cost?

The current cost of the virtual weekend is \$30. Currently, all weekends are virtual, so please make sure you, and your priest, are accepting of this format for the program. No couple is turned away; if cost is an issue, financial assistance is available. For more information, please email: [registration@engaged.org](mailto:registration@engaged.org).

### Registration

Pre-registration is essential to securing a place on the weekend of your choice. We encourage you to register online at [www.engaged.org](http://www.engaged.org) or by using the form in this brochure. Once the registration and fee are received, a confirmation notice will be sent to the address indicated. About two weeks prior to your weekend, a map and instructions will be mailed to you. Many weekends fill up far in advance, so we encourage you to register as early as possible.

### Certificate

Your priest or deacon will ask for a copy of the certificate that we provide you. You must attend the entire weekend to receive this certificate.

*Give yourselves the gift of an entire weekend designed to explore and deepen your love and relationship.*
